All Higher Educational Institutions offering Engineering Programs
Region XI

Attention: The Deans/Heads of Engineering Programs

Dear Sir/Madam:

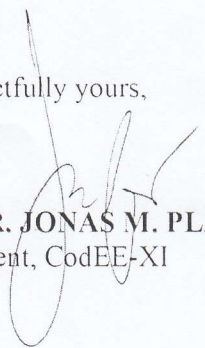

Greetings!

The Council of Deans of Engineering Education will be having a Meeting on March 23, 2022. 12:00 NN to 3:00 PM at the Garden Hall of REKADO Filipino Comfort Cuisine, 1050 Jacinto Ext, Poblacion District, Davao City. The attendance of the Dean/Head of Engineering Institutions in Region XI is highly encouraged as we will be planning for the implementation of the 12th Engineering Research Congress in 2022. The said congress was then cancelled during the last two years due to the Covid 19 pandemic and since we are now in the alert level 1 in region XI, we will then be planning for the next activities that will involve and benefit both the engineering students and faculty in the Davao region.

Please come on time so that we can have more ample time to discuss matters particularly in the implementation of our congress and other related areas that will benefit our students, our institution and the whole community.

God bless and see you all in the meeting.

Respectfully yours,

ENGR. JONAS M. PLACER, M.Eng.
President, CodEE-XI
