Dr. Maricar R. Casquejo, CESO III
Regional Director, CHED XI
Corner F. Torres St., Bajada, Davao City

Dear Dr. Casquejo:

We are humbly requesting your office for an approval to allow us to conduct an online interdisciplinary research colloquium titled **“Kahimunan: Mindanao Research Colloquium”**. It is a series presentation to showcase the research abilities and capabilities of academic scholars in the field fitness, health, wellness, sports, games and pedagogy in physical education. It will be participated by researchers in the field of Sports and Physical Education from different schools across Mindanao to congregate, share and learn from each studies presented. Researchers will then engage with the audience afterwards to share perspectives and knowledge regarding the field presented.

The schedule of activities will be held every Saturday for the month of November 2022 from 9:00 am to 11:00 am. This program is in line with UP Mindanao Department of Human Kinetics' advocacy to strengthen its research component and extend its network across the country specifically on its sports engagements in Mindanao. In this regard, we would like to request for your assistance in disseminating this information and attached documents to Region XI schools to reach out to more PE teachers, sports and dance coaches, and sports enthusiast professionals across the region.

Looking forward to your continued support towards development in sports education in Mindanao.

Thank you very much.

Sincerely yours,

JEZREEL M. ABARCA
