Dear Dr. Casquejo:

Good day!

We are pleased to inform you that the 14th Phil-BIST Conference and Fair of the DACUN Library Committee with the theme *"Developing and Managing Teaching and Learning During a Pandemic and Beyond"* is scheduled on August 16-18, 2022 to be held at the RSM Auditorium Philippine Women's College, Juna Subd., Matina, Davao City. The said Conference and Fair is spearheaded by the DACUN Library Committee which aims to address issues and concerns on learning management systems, and resources during the pandemic and beyond. The Book Fair, on the other hand, will showcase latest published titles of print, multimedia and online resources. This year's Conference will focus on the following topics:

1. Intelligent Algorithms and Extract Metadata with Learning Management Systems for Effective Teaching and Learning;
2. Framework & Associated Rights in Developing & Managing Open Educational Resources (OERs);
3. Post-pandemic Health and Well-being of Librarians and Information Professionals;
4. Massive Open Online Courses as Models for Developing Learning Resources; and
5. Professional Updates.

Regular registration fee of Php2,500.00 for professionals and Php800.00 for undergraduate students will be charged to prospective participants. CPD units have been applied with the Professional Regulation Commission (PRC).

In line with this, we RESPECTFULLY REQUEST your office to endorse this event as we highly believe that this will help develop competencies of librarians in today's new learning environment and prepare undergraduate BLIS and Non-BLIS students on what lies ahead of them after finishing their degrees. For your guidance, we have attached pertinent document for the detailed information of the event.

We look forward to your usual endorsement to our endeavors. Thank you very much.

Very respectfully yours,
