September 13, 2022

Dr. Maricar R. Casquejo, CESO-III
Commission on Higher Education
Davao City

Dear **Dear Dr. Casquejo:**

The National Academy of Science and Technology, Philippines (NAST PHL) will be conducting the **2022 Future Science Leaders Forum (FSLF)** on **11-12 October 2022** in **Metro Manila** (exact venue to be announced).

The FSLF aims to empower young Filipino science leaders and create a pool of potential NAST awardees. Through this activity, we hope to assist young leaders to maximize their leadership potential in their respective fields and to provide a venue for a leadership network of peers and potential mentors and advisers.

The activity is tailored for individuals who show significant promise for leadership in their chosen field, less than 40 years of age, and with demonstrated outstanding accomplishments in their respective fields.

The NAST PHL would like to invite the heads of institutions to nominate up to three (3) promising leaders under 40 years of age in the different fields of science. The candidate/s should have demonstrated leadership potential. They should be enthusiastic, with outstanding communication skills, and the ability, desire, and personality to represent their profession.

Deadline of submission of nominations is on **26 September 2022 (Monday)**. Nominations may be submitted online through this link <https://bit.ly/2022FSLFNominationForm>.

For questions and clarifications, you may check our website <https://tinyurl.com/2022FSLF> or call the NAST Secretariat at telephone numbers (02) 8837-2071 local 3224 or email at awards@nast.dost.gov.ph.

We look forward to your participation in this search for candidates to the 2022 Future Science Leaders' Forum.

Thank you very much.

Very truly yours,

LUNYNGING E. SAMARITA-DOMINGO, CESO III
Director IV
